Questions from the public on the presentations

Adapting our Neuro-rehabilitation services

Find out how we've adapted during the pandemic to continue to provide rehab and empower patients with neurological conditions. We'll cover service provision, patient feedback, and our involvement in the National Stroke Network

Developing an alternative to inpatient care for Children & Adolescent Mental Health Services (CAMHS)

Hear how we've developed an innovative, new service to provide intensive mental health care for young people to stay at home and be connected with family, friends and school

Close of meeting by Martin Earwicker, Chair
