

An illustration of various medical supplies including a bandage, several blister packs of pills, and a blue inhaler, all scattered on a dark blue background.

# CARE LEAVER FREE PRESCRIPTIONS

## Who is eligible and how to apply?

If you are a care leaver aged 18-24yrs who is not otherwise entitled to free prescriptions you maybe eligible to apply for a pre-payment certificate. This certificate means you won't need to pay for items prescribed by your doctor (GP) for between 3-12 months.

### How?

Step 1 - Scan the QR code to check you are not already eligible for free prescriptions and other health costs (dental, vision).

Step 2 - If you are NOT eligible do you fulfil the following criteria?

- Registered with a GP
- Care leaver and eligible to receive a leaving care service from your originating local authority
- Are you 18 - 24 years old

Step 3 - If yes then speak to your Personal Advisor or visit [www.staywell-bob.nhs.uk/leaving-care/](http://www.staywell-bob.nhs.uk/leaving-care/) for an application form to apply for a pre-paid certificate.
