

Has your child had their **flu** vaccination yet?

Come down and see us on the **15 December** for information about the flu vaccine for children. You can also get your child vaccinated for **free** if they missed out on the vaccination when nurses visited their primary school.

Myth busting:

There is **no** pig DNA present in the vaccine

Myth busting:

Flu is not just a bad cold, it can lead to hospital admission and even death

Myth busting:

Even healthy fit people can get the flu
